Design Experience

Graphic Design Intern – HII Mission Technologies

June 2025 - August 2025

- Built a universal graphics library website to help artists upload assets and enable proposal teams to easily request and find graphics, improving team efficiency,
- Designed presentation graphics, charts, and layouts in PowerPoint to support proposal development and information visually.

Design Internship – Nextninety

May 2023- June 2023

- Contributed to the rebranding of ACCRAC in preparation for an upcoming conference.
- Designed materials, including billboards, banners, and lanyards, to align with the new brand identity.
- Assisted in creating and presenting branding proposal to the client.

Projects

Fetch Friends

March 2026 - April 2026

- a mobile app that helps dog owners connect and schedule dog playdates
- Designed features for discovering dog-friendly parks, creating and joining group playdates.
- Implemented user and pet profile functionality to support personalized matching and networking
- Refined Figma skills through hands-on practice and collaboration.

Association of Chiropractic Colleges Information Flyer

December 2025 - January 2026

- Designed a promotional flyer for Association of Chiropractic Colleges to communicate the organization's mission, values, and services
- Created visually engaging marketing materials that explained the role of the organization within chiropractic education and healthcare
- Organized and presented company information in a clear, professional format
